# Space Goofy Road Trip

**The Space Goofs** have decided to take a rare trip outside their house, and see the world that they've been stranded on. They want to see all the big sights the world has to offer, but somehow they never leave the good ol' U.S. of A. Flip through the magazine to find the fake landmarks they visit (which really exist, by the way—check 'em out next time you're on a road trip), and then go to page 35 to map out what you've found.

# FOX KIDS BIZ™

April Showers bring Mayhem. That's the way we see it at FOX KIDS anyway. No better way to start off the summer than with a bit of mayhem. And the only thing better than a bit of mayhem, is a bunch of mayhem.

There are the always wild capers of *Ned's Newt*, shown in an exclusive comic on page 24; and the eerily wacky pull-out poster brings *Toonsylvania* to your bedroom wall. We also have women jumping off buildings, *X-Files* behind-the-scenes hubbub, sports chaos, and a party your parents will barely approve of. Of course, there are always the games, puzzles, and general mayhem you'd find in any *TOTALLY FOX KIDS* Magazine; this one's just a little louder. So jump in, feet first, and kick it around for a while. Tell us what you think!

LETTERED BY LOIS BUHALIS

BASED ON A SHOCKING REPRESSED MEMORY FROM SCOTT RUSSELL!

WHAT'S THE MATTER WITH THOSE SHORTSIGHTED TOY COMPANIES?! WHY DON'T THEY MAKE AN ACTION FIGURE OF *MY FAVORITE* GRIM VIGILANTE HERO, SPYFLY?!

THE SHORT ANSWER--? 'CAUSE HE'S INCREDIBLY LAME! BUT DON'T LET *THAT* DASH YOUR FLUFFY LITTLE HOPES, MAX.

TELL ME *MORE!*

A LITTLE MODEL GLUE... AN OLD SET OF *MANDIBLES* FROM *ANT PUNK*... SOME HIGHLY TOXIC, RADIOACTIVE LEAD-BASED INDUSTRIAL ENAMEL LEFT OVER FROM THE SPACE PROGRAM...

SPYFLY IS *MINE* AT LAST! TO PLAY WITH AND TREASURE AND *WHALE ON* WITH A **SLEDGEHAMMER** ONCE THE INITIAL NOVELTY WEARS OFF! YOU'RE MY *BEST FRIEND*, SAM!

JUST DON'T CHOKE ON HIM.

AS LONG AS WE HAVE OPPOSABLE THUMBS AND A CHIMP-LIKE IMPULSE TO *WRECK* STUFF, SPYFLY IS A DREAM THAT *CAN* COME TRUE!

THIS BOX OF MISTREATED PLAY-THINGS SHOULD PROVIDE THE *RAW INGREDIENTS.*

SOUNDS DELICIOUS. BUT WHERE'S SPYFLY?

NOW, THAT'S ONE *BIG, BEAUTIFUL* HAND-FULL-O' **TOY!**

I MAY WEEP OPENLY. *GIMME! GIMME!*

SAM, WOULD YOU HELP ME BUILD *DARKSKULL*, SPYFLY'S BONEHEADED NEMESIS?

SORRY, MAX. IT APPEARS I'VE GLUED ALL MY DIGITS TOGETHER. *OH*, WELL, AT LEAST IT'S IN TIME FOR SOFTBALL SEASON.

GEE, SAM. I GUESS THAT MAKES *YOU* THE BONEHEAD!

COME CLOSER SO I CAN *SWAT* YOU WITH THESE THINGS.

# DARREN DREIFORT

***There's been a lot of talk about the fast-rising, fast-pitching Darren Dreifort. He's the new starting pitcher for the Los Angeles Dodgers, and when Mr.Smith's fourth-grade students from Roosevelt Elementary School in San Gabriel, CA, called him between exhibition games, he was more than happy to bat around some questions.***

***Cassie: How do you feel to be a beloved player on the Dodgers?***
*DD:* I love playing for the Dodgers. It's a great team. I love playing in L.A. It's a lot of fun.

***Victoria: If you could be another baseball player, who would you be and why?***
*DD:* Probably Nolan Ryan because he was a great pitcher. He was one of my idols when I was growing up.

***Mr. Smith: Do you think you can throw faster than he can?***
*DD:* Faster than Nolan Ryan? Never!

***Danny: When did you start playing baseball?***
*DD:* I started when I was five or six.

***Gabriela and Marco: What is your favorite food?***
*DD:* I love Mexican food. Not just one thing, I like it all.

***Melissa: What is your favorite thing to do in your spare time?***
*DD:* I hunt a little bit. I fish a little bit. I play some pool. But I love playing basketball!

***Nicki: What would you do if you couldn't play baseball?***
*DD:* I'd probably teach. I graduated from college but I'd have to go back to school to get my teaching degree.

***Mr. Smith: What subject would you teach?***
*DD:* I don't know, probably history. My dad and brother teach it.

***Miles: Where will you go on vacation?***
*DD:* Alaska's a lot of fun. I'd say Alaska before anywhere else.

***Daniel: What is your favorite horror movie and why?***
*DD:* The first *Nightmare on Elm Street.* That one scared me pretty good.

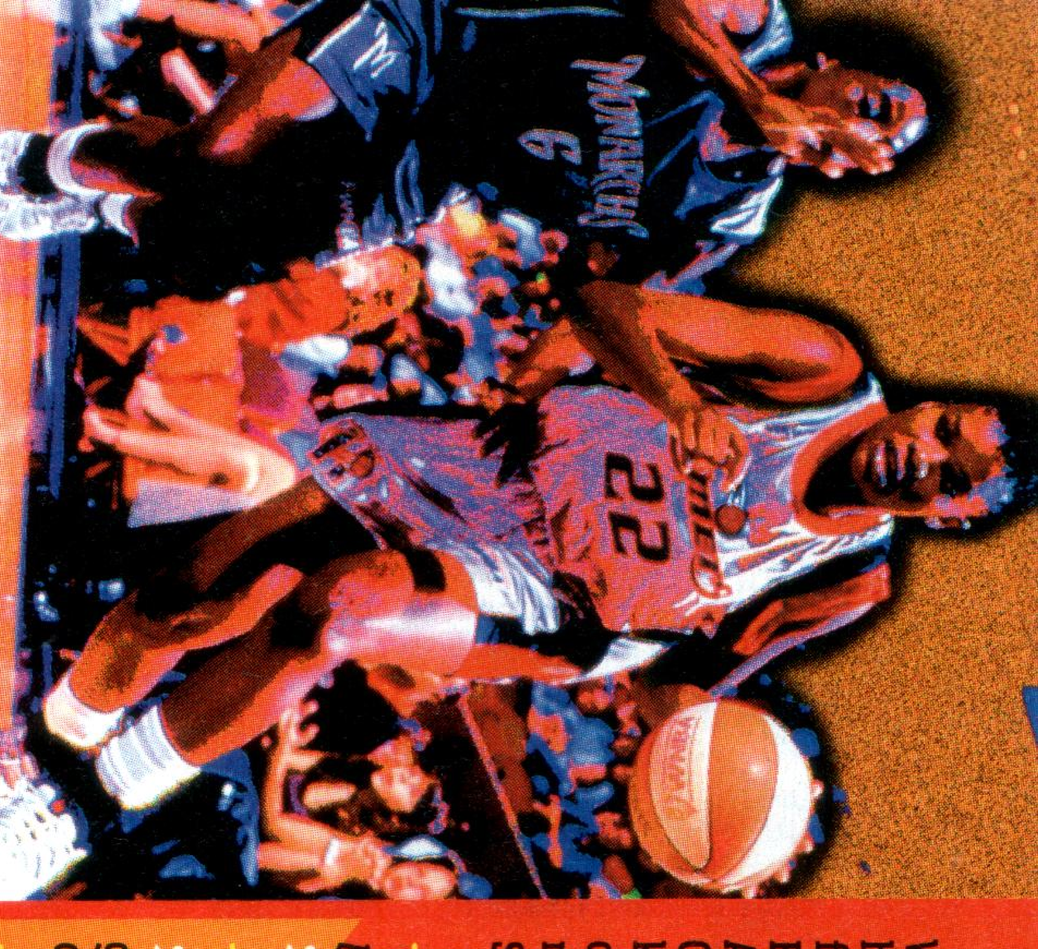

***Theresa: If you could sit in the dugout with any one person who is not a ballplayer, who would it be?***
*DD:* Larry Bird. He was my hero growing up.

***Mr. Smith: Do you have any advice for the kids about school?***
*DD:* My family was real big into education. My mom was a substitute teacher in elementary school and still is. The biggest thing that they taught me was that you don't go outside and play, you don't go to practice, you don't go to games, until you get your homework done first. Baseball or basketball or whatever you decide to do isn't going to be there forever. You've got to have something to fall back on and that's why you go to school.

# SHERYL SWOOPES

WNBA champion Sheryl Swoopes has seen her share of success—from winning a gold medal in Women's Basketball at the 1996 Olympic Games in Atlanta, to playing for the top-rated Houston Comets, to facing down Michael Jordan in a kickin' game of one-on-one. But this 26-year-old superstar forward knows winning means more than medals. Winning, according to Swoopes, is about believing in yourself.

**TFK:** *When did you first pick up a basketball?*

**SS:** I was six or seven years old.

**TFK:** *Did you have to play with guys?*

**SS:** When I first started, I played for an all-girl team called the Little Dribblers. But as I got older, I had to play with the guys.

**TFK:** *Did they resist letting you play?*

**SS:** They didn't respect me at all. The only way I got to play was if they were one short to make a team. Before I went to college, it was because they didn't think I could hold my own. After that first year at school, they didn't want me to play because I was too good. They didn't want me to show them up.

**TFK:** *Today be a WNBA?*

and she's old enough to play, there will be a

*ere a kid?*

*you were a kid?*

. And I loved the cartoon show *ThunderCats*. I hated the *Road Runner* because I always knew the coyote would never be able to catch him. I felt sorry for the coyote. The guy should get to catch him at least once.

**TFK:** *Any advice for kids who want to follow in your footsteps?*

**SS:** Always have confidence in yourself. Believe in yourself first, because if you don't, no one else will.

*Watching 15-year-old Olympian Tara Lipinski work is figure-skating magic. She not only glides across the ice like a tiny sprite, she masters her sport. And always, she does it with a smile. "That's because I love what I do," says the 4' 8" Gold Medalist. "I love to skate for the people—and I love to skate for myself. It's the only life I've ever known."*

# Tara Lipinski

**TFK:** ***How does an average day begin for you, Tara?***

**TL:** My alarm goes off at about 7:15 A.M.; I practice every morning except Sunday. And I have a light day on Saturdays—just a 45-minute session. But on weekdays, I start at 9:00 A.M., take an hour lunch break, then I'm done at about 2:30.

**TFK:** ***How do you study?***

**TL:** I have a tutor who comes in from 3:00 to 7:00 P.M..

**TFK:** ***What are your favorite subjects?***

**TL:** I like biology and algebra best.

**TFK:** ***So you don't have homework?***

**TL:** Oh, yes, I do. I have 2 1/2 hours every day, after the tutor leaves.

**TFK:** ***What kind of music do you listen to?***

**TL:** I like alternative rock—kind of upbeat stuff like Smashing Pumpkins and Bush.

**TFK:** ***Do you have any other professional goals, beyond skating?***

**TL:** I'd like to be a lawyer. My dad is a lawyer and I've always wanted to follow in his footsteps.

**TFK:** ***Are you afraid just before you perform in front of all those people?***

**TL:** Sometimes I get nervous, but I'm never afraid. And once I get going and I'm doing well, having the people there is great. Sometimes I mess up, but I don't let it get to me. You have to learn to let go—make sure you don't ruin the rest of the program.

**TFK:** ***What do you like most about being a championship figure skater?***

**TL:** I love all of it. I know the life I have is a little weird. And sometimes I wonder what it would be like to be normal. But I'm glad it's this way. I travel. I have friends all over the world. If I was normal, I'd miss so much.

# talking with the raven

Raven-Symoné

**Raven-Symoné** has been acting since she played the three-year-old daughter of Bill Cosby in *The Cosby Show*. She just finished filming *Dr. Dolittle* with Eddie Murphy, and she took a second to talk with the animals here at FOX KIDS.

**TFK: Was it weirder acting with animals or acting with Eddie Murphy?**
**Raven:** It was weirder acting with animals, since that was my first time doing it.

**TFK: Have you ever been in a parade?**
**Raven:** Yes, I have. I've been in the Macy's parade, the Christmas parade in Atlanta. It was beautiful.

**TFK: Did your arm get tired from waving?**
**Raven:** Actually, no. I mastered the Miss America wave. I've got to use that more often.

**TFK: Are you a dog or cat person?**
**Raven:** Dog person. But I do like cats; my family does not. My friend has three cats and when I go over there, there's always one in my lap. I think the cats like me more than I like them.

**TFK: When was the last time you played on monkey bars?**
**Raven:** I can't even do them. My arms are too weak to do that. I tried last in fifth grade but I fell on my face. I haven't tried again.

**TFK: In *Dr. Dolittle*, what animal are you most like?**
**Raven:** The raven. Definitely. I saw it on the set. I was like "That's me!" I was the main raven. They were the raven sidekicks.

# A Whale of a Tale

On January 11, 1997, a baby gray whale was dying on a beach. On March 31, 1998, that same whale was returned to the ocean—healthy and ten tons heavier...and FOX KIDS was there! In fact, Cate Easley got up close and personal with the 19,000-pound whale! Being the grand-prize winner of the FOX KIDS J.J. Adventure Team Sweepstakes has its perks, ya know? Cate and her "pod" (that's "family" in whale lingo!) got to hang out with J.J. before her big day.

J.J. was near death when she was rescued near Marina del Rey, California, and brought to Sea World. Since then, lots of veterinarians, scientists, and trainers have helped with J.J.'s recovery and release.

J.J. is the largest animal ever released into the wild. Sea World marine biologists will attempt to track her movements for up to 18 months. Look for updates on J.J.'s movements on the 'net at Sea World's official Web site, www.seaworld.org. Check it out!

# LISA LOEB

# COUNTDOWN CHAOS!

LISA LOEB (YOU KNOW, "I DO") HOPPED OFF HER TOUR BUS JUST LONG ENOUGH TO TALK TO CHRIS LEARY IN THE STUDIO OF THE FOX KIDS COUNTDOWN!

**TFK: What's the craziest stuff about touring?**
**LISA:** Wearing pajamas into truck stops and stuff like that. Hello Kitty slippers. It's like a slumber party. You have to find clothes that you can wear hanging out during the day and also sleep in them.

**TFK: Do you have a kitchen on the bus?**
**LISA:** Yeah. We cook popcorn, which makes the bus smell really bad, peanut butter and jelly sandwiches, food items, snacks. They hide all the candy from me because I eat it all.

**TFK: Where do you work out?**
**LISA:** Sometimes I work out on the bus with these rubber-bandy kind of deals.

**TFK: Do you ever play any practical jokes on the bus?**
**LISA:** Once, I put bugs in the peanut butter, and I ate them and I didn't know. I was the one who put the bugs in the peanut butter, and I didn't know. other people. It came back to haunt me. Don't ever put bugs on a tour bus.

**TFK: What is the one thing you have to take on the road with you to make you feel at home?**
**LISA:** My suitcase. I'm always on the road, so having my suitcase with me makes me feel like I'm at home. I consider Dallas my home but I spend time all over the world.

**TFK: Do you ever get sick of being on the road?**
**LISA:** I'd like to go to the beach and hang out. And talk on the phone and go shopping at the Beverly Center and buy things. Cook. Take cooking classes. Go to the Caribbean. Learn languages, like Japanese. Go back to school. Study the brain. But I'm going to go on tour instead. It's a good job.

## HARLAND WILLIAMS

THE VOICE OF NED'S NEWT!

**TFK: What kind of music did you like when you were a kid?**
**HARLAND:** I actually liked bagpipes and I loved the sound of my dad squishing pomegranates on my forehead. That's music, isn't it?

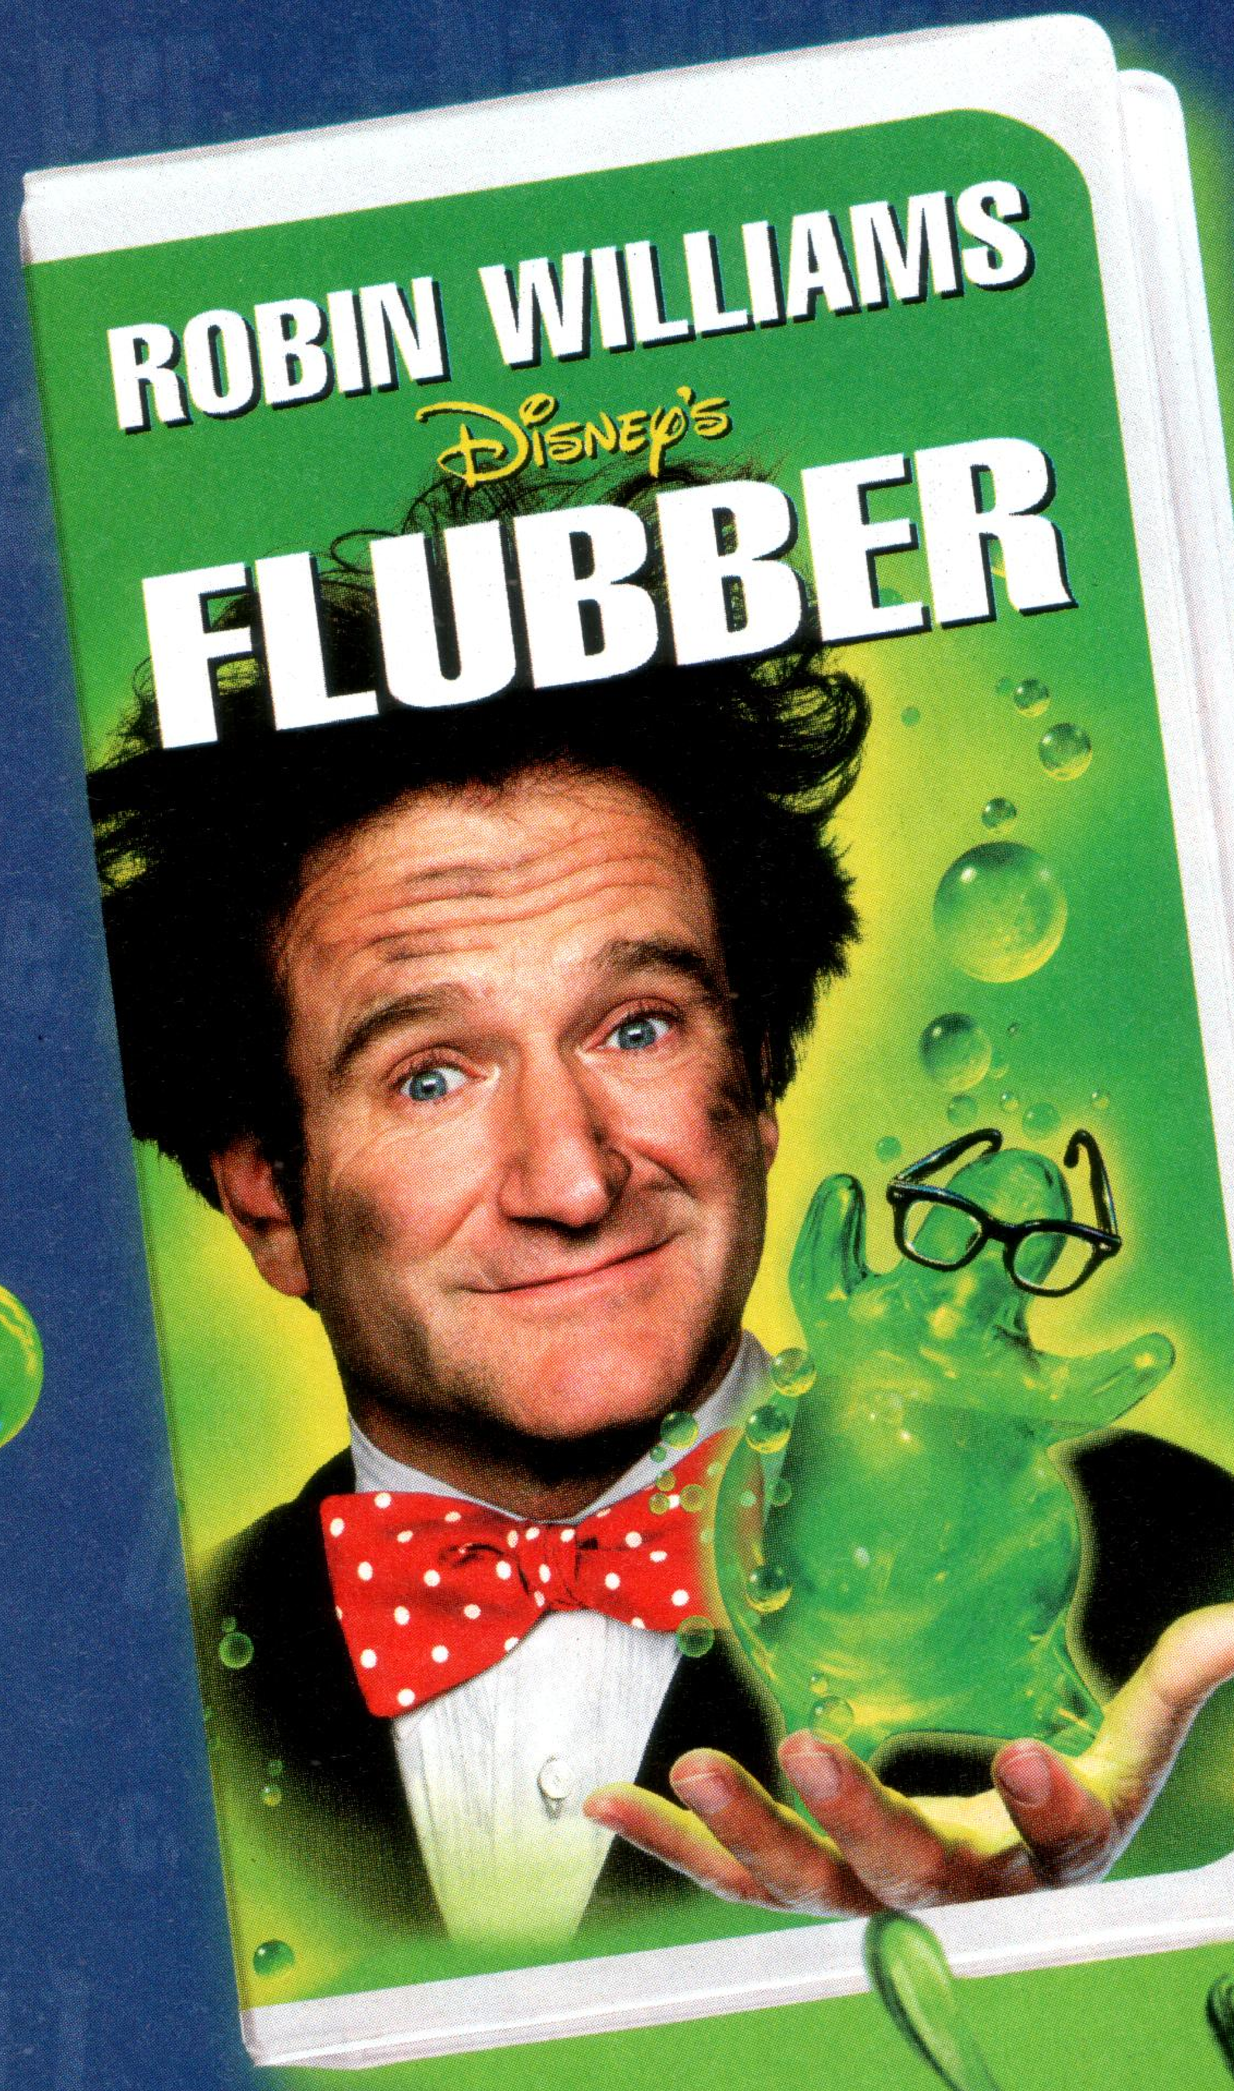

**TFK: What were you like in school?**
**HARLAND:** I had one friend. His name was Billy. He was an imaginary friend. One day he got in a fistfight with some other kid's imaginary friend and he was expelled. So I had to go to school alone.

**TFK: What did you want to be when you grew up?**
**HARLAND:** I think for the longest time I wanted to be a lion. And then I realized in Canada there are no gazelle or zebra, so then I just wanted to be a male nurse.

**TFK: In *Ned's Newt*, you do a lot of impressions...**
**HARLAND:** That's the thing, I'd never really done impressions. They asked me to do it and I said sure, and when I got the first script it had like eight million voices and I'm like, Oh, my goodness! I don't know what the heck they're going to throw at me, but it's fun.

***A true Shinobi knows without teamwork, we Ninja Turtles would be turtle soup. That's something these stuntwomen understand well. When Jennifer, Janet, and Donna put their lives on the line, trusting the people they work with is the only way to fly (or dangle, or crash, or explode). Join us as Venus jumps into a conversation with...***

# FALL GIRLS!

**Venus: What kinds of stunts do you do?**

**Donna:** I do everything from full burn, where my fireproof clothing is in flames, to car rollovers, car jumps, fights, high falls—you name it.

**Jennifer:** I do a lot of high falls and water stuff. You know, scuba diving, free diving.

**Venus: What are the hardest stunts you've ever performed?**

**Janet:** I've hung from closing draw-bridges and I've jumped off of buildings. But one of the hardest was a car hit. I had to wear a harness with a cable attached to it, and when the car hit me, my stunt team pulled the cable and made it look like I really shot across the street. I had to trust them with my life.

**Venus: What is the highest fall you've taken?**

**Donna:** Three hundred and twenty feet. I was on a descender wire doubling for Jamie Lee Curtis; she was the villain.

**Venus: Are you ever scared when you do stunts?**

**Janet:** Anyone who says "I'm never scared," is just plain stupid. I do get scared. But when you work with a good stunt team, it's almost more dangerous getting out of the bathtub.

**Venus: Did you go to school for this?**

**Donna:** No. I was an international springboard and tower diver. I was a model in high school and I had always wanted to be an actress. When I heard about stunts I went, "Whoa. I could be an action actress. I could actually use my athletic abilities to do that."

**Jennifer:** I started acting when I was thirteen, doing TV stuff. When I was fifteen, I got into stunts. My first film was *Hackers,* doing rollerblading and motorcycle work.

**Venus: How much preparation goes into a stunt?**

**Donna:** That depends on the stunt. When we did *True Lies,* there was a limousine drop-off with the helicopter lifting me out. We rehearsed that for a few days in the Mojave Airport about a month before going to Marathon Key to do it on film.

**Jennifer:** The stunts we do are extremely safe. I only work for coordinators that I can trust. For a five-second motorcycle shot, we'll have about a week of preparation, and then get the shot in one day. Hopefully in one shot.

**Venus: If one of our readers decided she wanted to be a stunt person, what would she do?**

**Jennifer:** An athletic background is the most important thing for becoming a stunt person. Have an aggressive attitude. Join sports teams.

**Donna:** They have to have a really good education, believe it or not. With the technology that we have today, to figure out stunts, you have to have calculations to figure out rate of speed, and it's amazing what we have to go through.

**Venus: A lot of math and physics?**

**Donna:** Yes, and to understand camera angles, what drives a scene forward.

**Venus: So they shouldn't just start jumping out of windows....**

**Donna:** Oh, gosh, no. Those days are way over.

**Venus: Are stunts safe for anybody?**

**Jennifer:** Only with the right background and training. It's all about trying to do something that looks dangerous as safely as possible.

***Janet Paparazzo lives in New York and has been making movie magic for ten years.***

***Donna Keegan is the stunt double for Jamie Lee Curtis and was working on Halloween 7 when we talked to her.***

Answers on page 35.

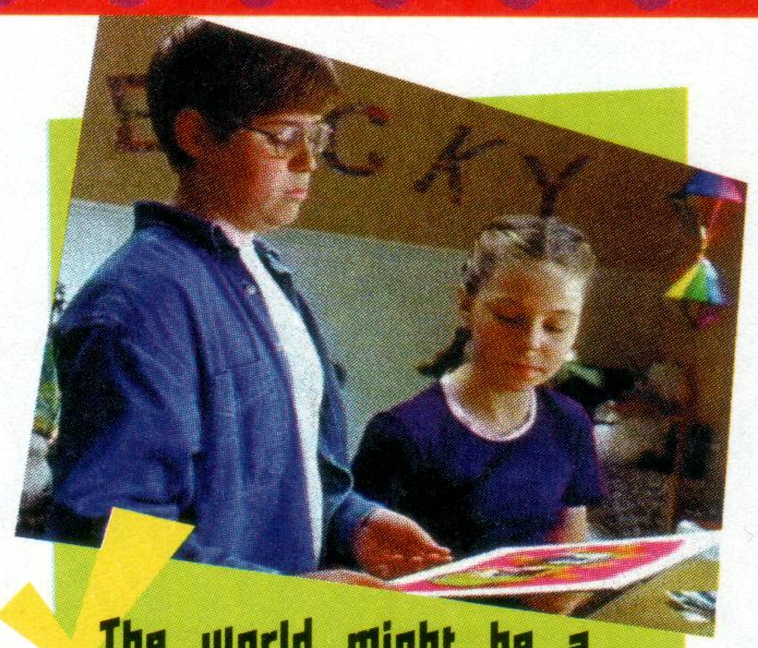

Ever get so ANGRY you feel like you're ABOUT TO EXPLODE? Your little brother tore the head off your favorite doll, or you didn't get picked for the soccer team, and you just don't know what to do.

It's okay to have those feelings but THERE'S SOMETHING YOU CAN DO.

DRAW IT, WRITE IT, LET IT OUT. It helps, no kidding. Just get a piece of paper and some crayons, pencils, or markers and PUT YOUR FEELINGS ON PAPER.

The world might be a better place if I gave my anger its very own space.

CHECK YOURSELF

So practice. Draw or write how you're feeling right now. Not only will you have a great picture to hang on your wall, you'll have something to compare to the picture you draw when you're upset.

**DRAW IT, WRITE IT, LET IT OUT!**

# X-Philes

**The *X-Files* Expo brings geek chic to America, but we bring you to the Expo.**

• The world's oldest mummy is from Arizona (not Egypt) and is over 9,000 years old.

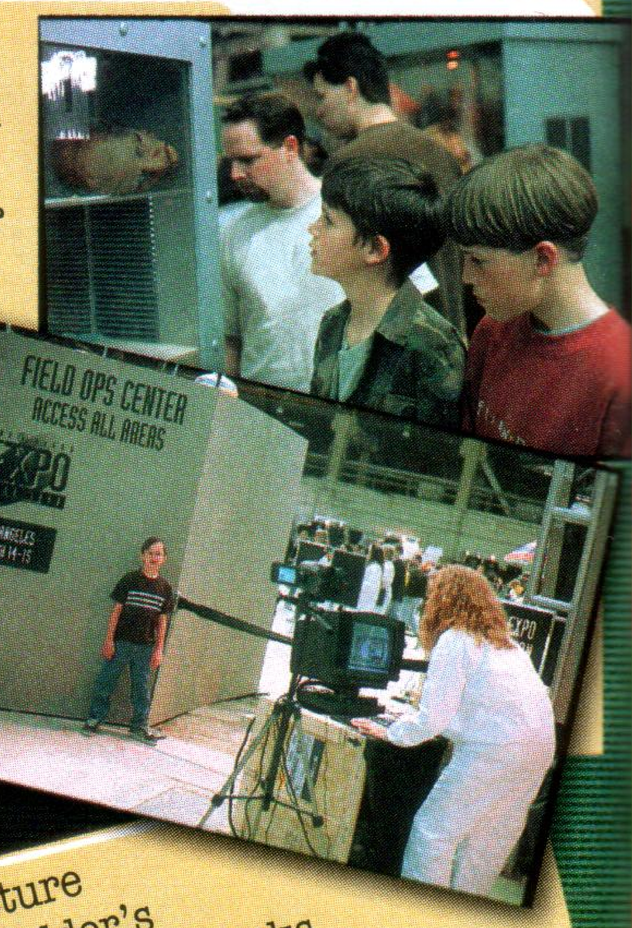

## SECRET FILES

As you pull up to the gates of the air base outside L.A., you are waved on to the grounds by an armed Marine; you drive by huge helicopters on your way to the giant blimp hangar. Inside, you pass through security gates to *The X-Files* Expo, a traveling meeting place for fans of the show (X-Philes). It's always held in places that you wouldn't normally think of, like blimp hangars, airports, and big abandoned warehouses.

## TOP SECRET

After you look through the museum of props from the show, you have your photo taken on a digital camera for your FBI access card. If you have a computer, the picture will be e-mailed to you that day.

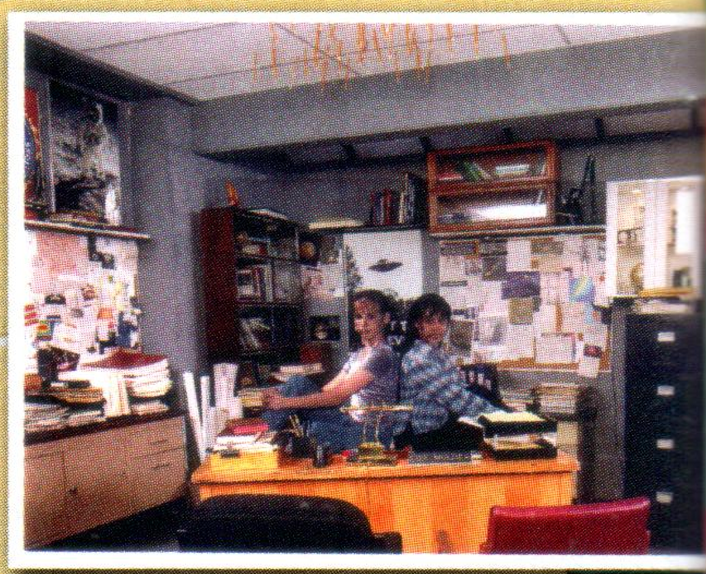

## CLASSIFIED

In the interactive trivia game area you compete against other kids. Inside these goggles, there is a mini–personalized television screen for you to watch the clips from the show and see the trivia questions. At the end of this ten-minute trivia teaser, you might just win a prize.

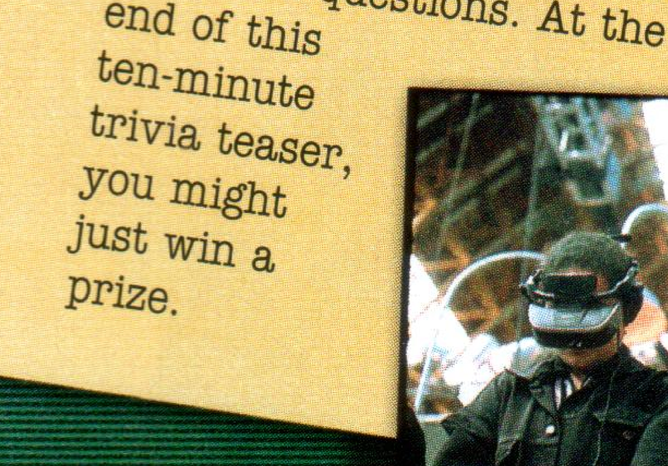

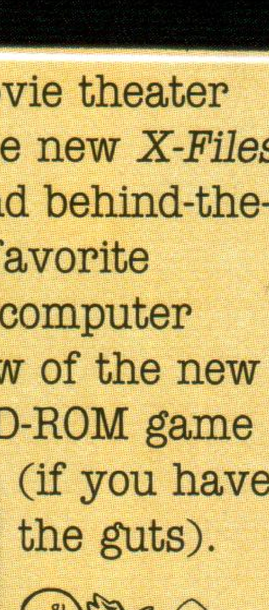

Have a picture taken at Mulder's desk. You wouldn't know it from the looks of the area (it only has a green desk, a green chair, and a green background), but when they take your picture you are magically sitting at Mulder's desk. Complete with pencils hanging from the ceiling.

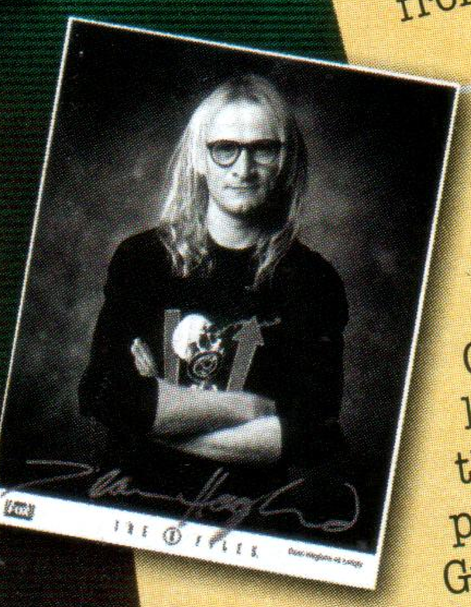

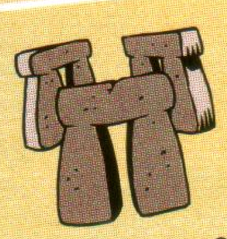

## CONFIDENTIAL

The mini–movie theater shows awesome clips from the new *X-Files* movie coming out in June, and behind-the-scenes interviews with your favorite *X-Files* characters, while the computer terminal bank plays a preview of the new *X-Files* Unrestricted Access CD-ROM game (if you have the guts).

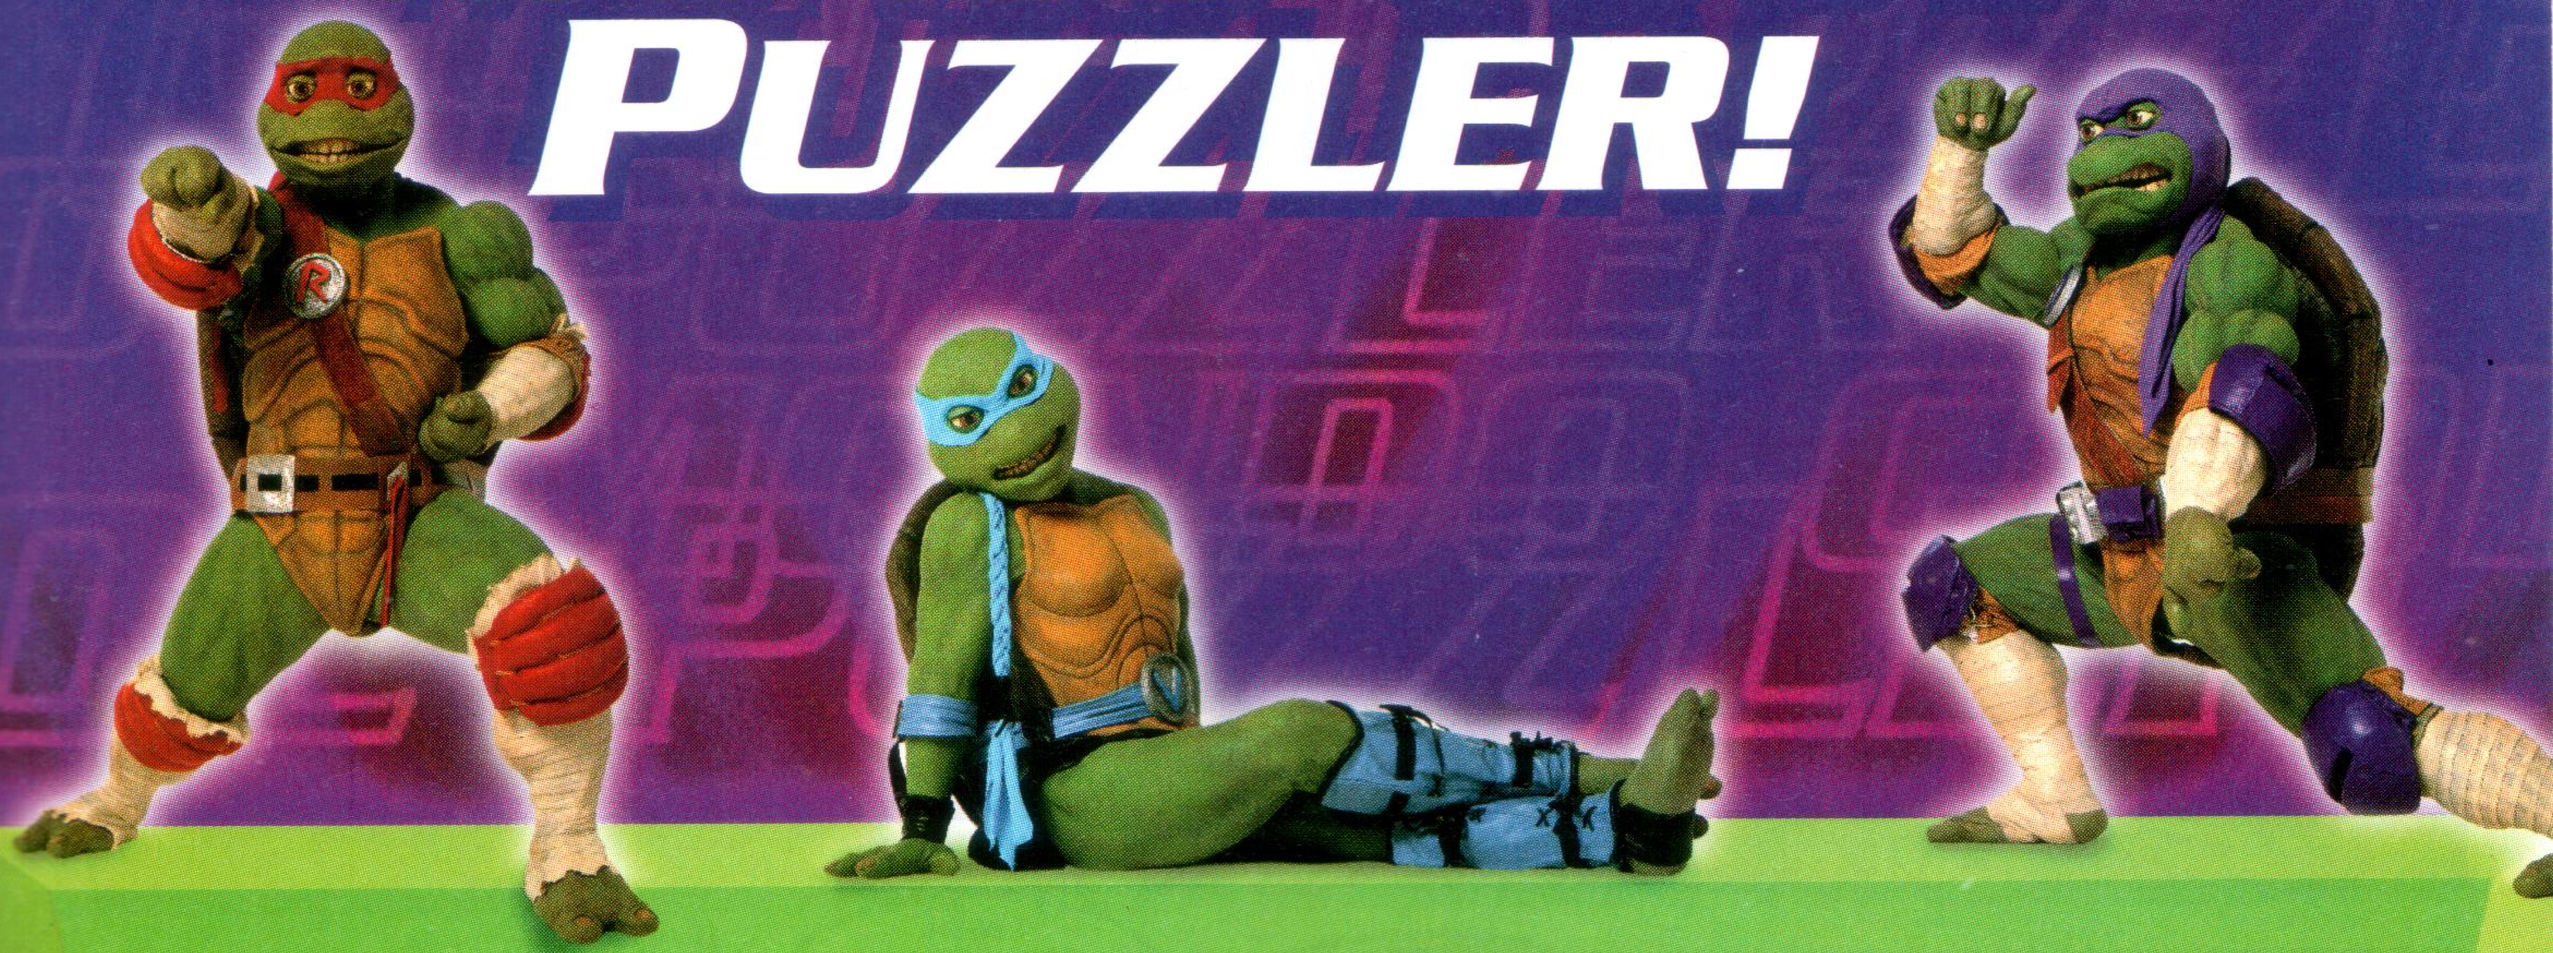

On stage are lots of stars from the show including Dean Haglund, who plays Ringo Langly, one of the Lone Gunmen. This guy is hilarious. He chooses youngsters from the audience (and sometimes adults) to do wild and wacky stuff on stage for everyone to see. He and a few of the other stars sign autographs for you later.

**So you're a real X-Phile and you want to know more? Check out the Expo Web site at www.thex-files.com, and tell 'em FOX KIDS sent you!**

# HAIR-RAISING FUN!

As every FOX KID knows, there are some "hairdos" and "hair don'ts." Some hairstyles make a statement...while others just raise questions. Get to the root of the matter with these stylin' tips. Whip your hair into some of these shapes, and watch your friends wig!

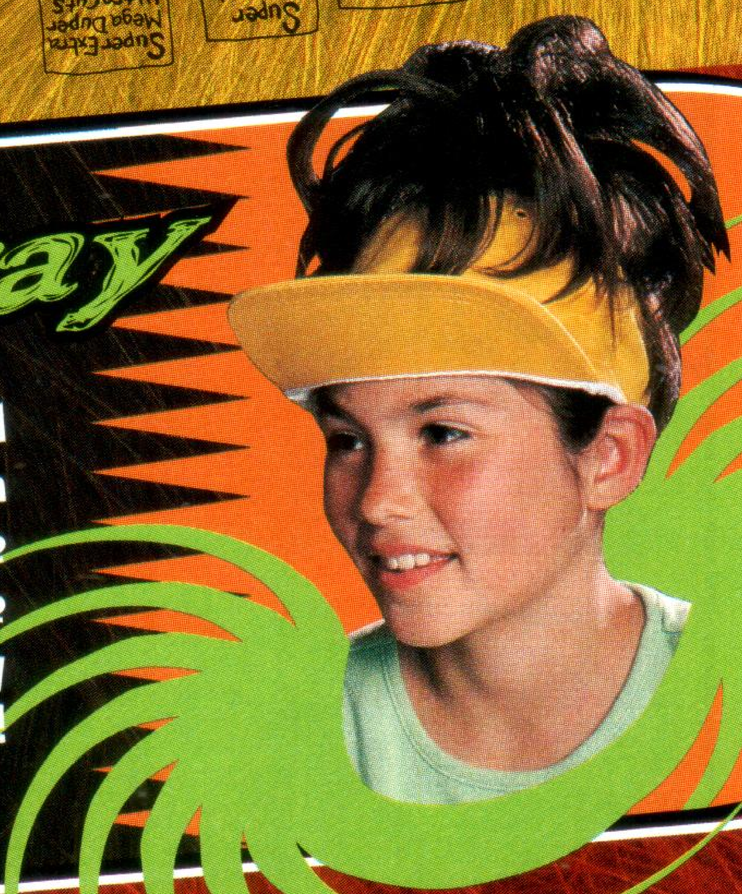

## The Hairicane

(That's no twister...that's my sister!) Back-comb and hair-spray your hair on top of your head, creating a swirl. Note: To "back-comb," take a section of hair at a time and, holding it firmly out from your head, brush it in the direction toward your head until it's good and tangled.

## The Hair-Spray

Cut a hole in the center of an old hat and pull your hair out the top. Back-comb it into a fountain shape. Spitting water completes the look, but won't make you any friends. Like the Hairicane, gobs and gobs of hair-spray help, and is loads of fun to wash out!

## The Leaning Tower

Pull hair into a tight ponytail on top of your head. Alternate small paper plates (with a hole cut in the center) and scrunchies to build a tower. How many stories is your hair?

## The Hair-Raiser

Twist multi-colored pipe cleaners around small sections of hair for this "scare-do." Leave them sticking out any which way. Musical option: hang tiny bells on pipe cleaners before twisting.

# Shenanigans* Shebang

*(Shenaenigenz) pl. n. trickery, spirited carryings-on, high jinks (origin unknown). Bobby's brother, Derek Generic, tells you how to throw a party your parents will barely approve of!

Ever feel like you're going wacko? Don't worry, it's probably just a case of End-of-the-Year Madness. Derek has a simple cure. Throw a party! And if you want to be remembered 'til fall, throw an End-of-the-Year All-Out-Shenanigans Summer Shebang! (Try saying that ten times fast!) To add some mayhem to your madness, try these senseless shenanigans with your guests:

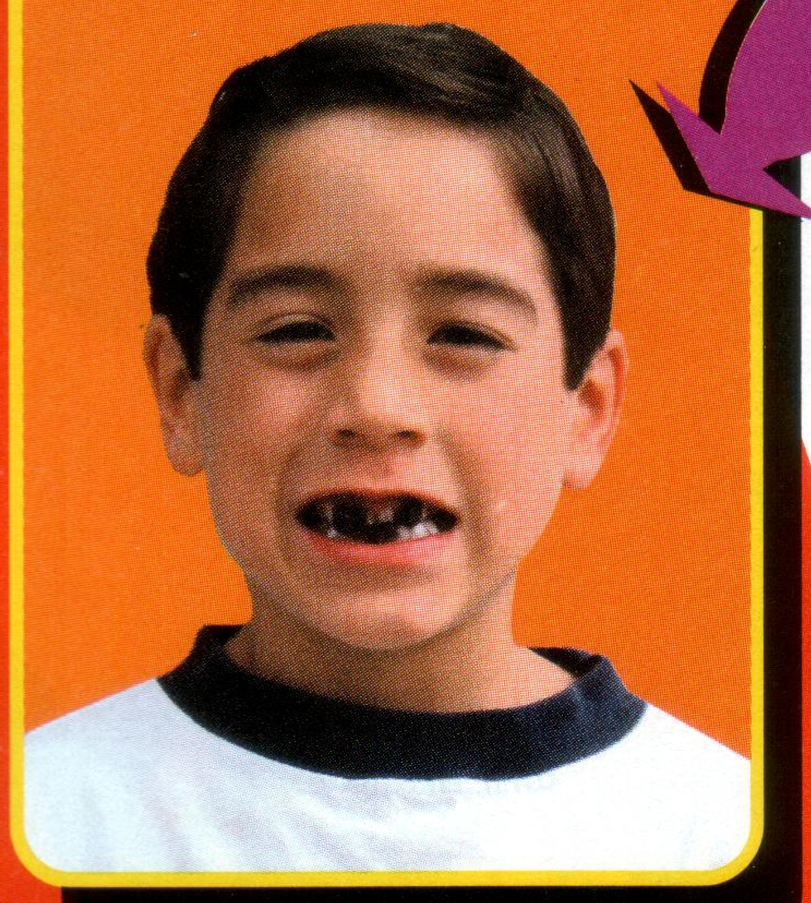

Bobby's World is full of shenanigans, every weekday on FOX KIDS!

## Tooth or Dare!

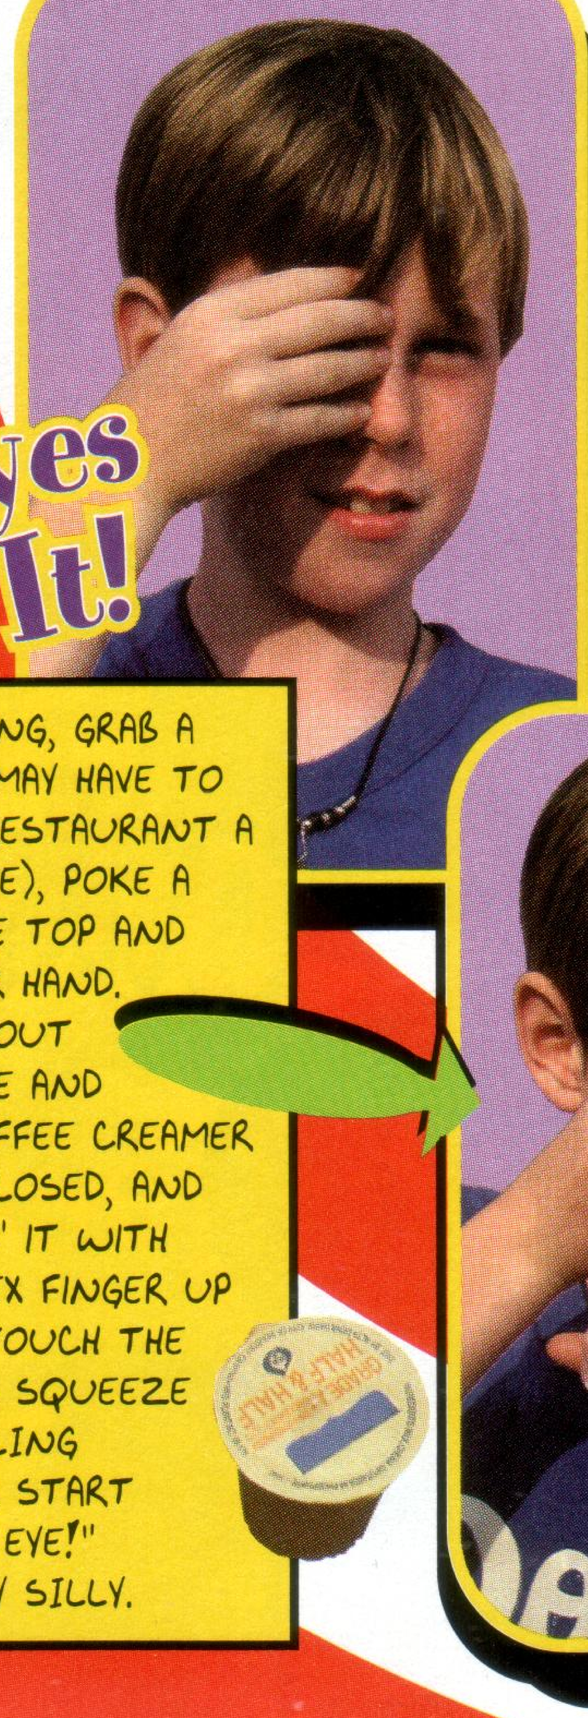

GOT A COUPLE RAISINS? WAIT UNTIL YOUR MOM OR DAD IS TAKING PICTURES AND STICK 'EM ON YOUR TEETH FOR THAT "I JUST GOT ALL MY TEETH KNOCKED OUT WHEN MY FACE HIT THE SIDEWALK" LOOK.

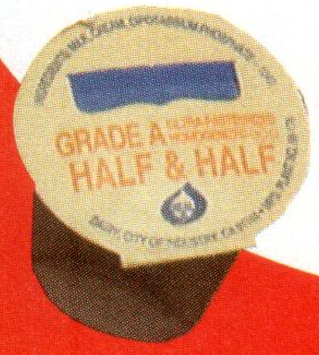

## The Eyes Have It!

WHEN NO ONE'S LOOKING, GRAB A COFFEE CREAMER (YOU MAY HAVE TO ASK FOR ONE FROM A RESTAURANT A FEW DAYS AHEAD OF TIME), POKE A PIN-SIZED HOLE IN THE TOP AND KEEP IT HIDDEN IN YOUR HAND. START COMPLAINING ABOUT SOMETHING IN YOUR EYE AND COVER IT WITH THE COFFEE CREAMER HAND. KEEP YOUR EYE CLOSED, AND REACH UP TO "SCRATCH" IT WITH YOUR OTHER HAND, INDEX FINGER UP (BE CAREFUL NOT TO TOUCH THE CREAMER OR YOUR EYE). SQUEEZE THE CREAM OUT, DRIBBLING IT ONTO YOUR FINGER. START SCREAMING, "OOOH, MY EYE!" THIS ONE SCARES BOBBY SILLY.

## Dead Finger

BEFOREHAND SET ASIDE SOME FLOUR, A BIT OF KETCHUP, A FEW COTTON BALLS AND A SMALL, EMPTY BOX. CUT A HOLE IN THE BOTTOM OF THE BOX AND STUFF THE BOX WITH THE COTTON BALLS. STICK YOUR INDEX FINGER THROUGH THE HOLE IN THE BOX AND SMEAR KETCHUP WHERE YOUR KNUCKLE IS STICKING THROUGH THE HOLE. CLOSE THE LID. SUDDENLY, RUN OUT TO EVERYONE EXCLAIMING, "HEY NONNY NONNY! LOOK WHAT I FOUND!" AS THEY DRAW NEAR, OPEN THE BOX.

• The record distance for crawling is 31.5 miles.

## Tattoo You!

SURE, TATTOOS ARE ALL THE RAGE FOR LEAD GUITARISTS AND BEARDED BIKERS, BUT THERE ARE A FEW DRAWBACKS. LIKE, THEY LAST FOREVER AND THEY HURT! SO RUN A TATTOO PARLOR AT YOUR PARTY USING WASHABLE INK MARKERS. EVEN THESE WILL STAIN YOUR SKIN FOR A DAY OR TWO, SO DRAW ON THE PART OF YOUR ARM NORMALLY COVERED UP BY A SLEEVE, OR ON YOUR BACK...NOT YOUR FOREHEAD. AND THE GREATEST PART IS, THEY HURT ABOUT AS MUCH AS EATING A MARSHMALLOW.

## Full of Hot Air?

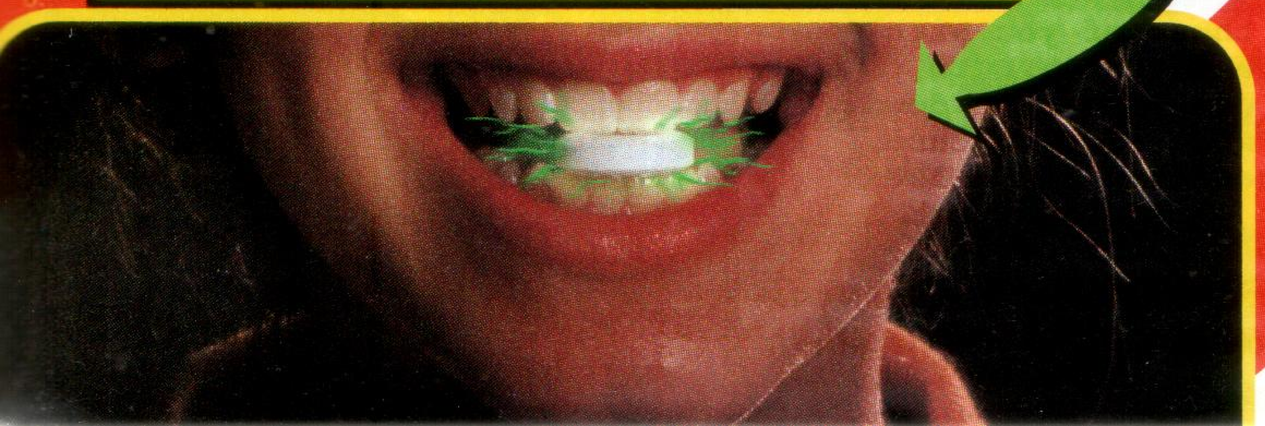

EVERY GOOD PARTY HAS BALLOONS, RIGHT? YOU CAN MAKE YOUR OWN WHOOPEE CUSHION—USING A BIG BALLOON AND A POPSICLE STICK (BE SURE TO ASK MOM FOR POPSICLES WHEN PLANNING THE PARTY). JUST STICK THE STICK INSIDE THE BALLOON, SO THAT IT CROSSES THE OPENING, STRETCHING THE SPACE AROUND IT, AND KEEPING THE OPENING CLOSED (SEE PHOTO). BLOW IT UP SLIGHTLY, AND SET IT ON YOUR GUEST-OF-HONOR'S CHAIR. HOW MUCH FUN IS THIS? THE ANSWER IS BLOWIN' IN THE WIND. TRY IT ON YOUR TEEN SISTER WHEN HER DATE'S IN THE ROOM!

## In the Dark

WEIRD THINGS HAPPEN IN THE DARK, SO INVITE YOUR GUESTS INTO A DARK CLOSET. CHOMP ON SOME WINTERGREEN LIFESAVERS, AND LISTEN FOR THE OOOHS AND AAHHS AS THE FIREWORKS IN YOUR MOUTH BEGIN. TRY STRIKING TWO SUGAR CUBES TOGETHER FOR MORE LIGHTNING EFFECTS, BUT MAKE SURE YOUR EYES ARE ADJUSTED TO THE DARK. FIVE MINUTES OF TELLING SPOOKY STORIES FIRST SHOULD DO IT.

You are in Karlsville, and Karl is out to get you (bwaa ha haaa). You need at least two players; one plays Karl (start at the cemetery) and the rest play kids (start at the welcome sign). Find a coin and player game pieces, like buttons or pebbles. Take turns flipping the coin (heads, move one space; tails, move two). Karl goes last. Follow the board instructions, moving in any direction. The kids try to get to the clock tower, and Karl tries to get to the kids. If Karl lands on a kid before they've reached the tower, they're out. The rest of the kids try to reach the tower on an exact duuum) doomed. flip, but if Karl catches them, they are (dum dum

## FOX KIDS REVIEW WHAT'S NEW!

# Home Alone 3

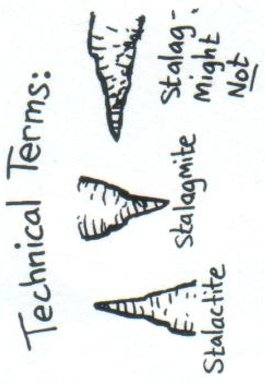

***from 20th Century Fox Home Video***

This was a good movie. It was about a little kid, Alex, whose mom leaves him alone because he has chickenpox, and she has to go to work. He sees a burglar and calls the police, but they don't believe him. I liked it a lot and so did my brother. I really liked the parrot, and I liked the part when Alex makes the bad guys fall in the mud and get hit with a boxing glove and stuff.

**Oliver Pratt, age 8**

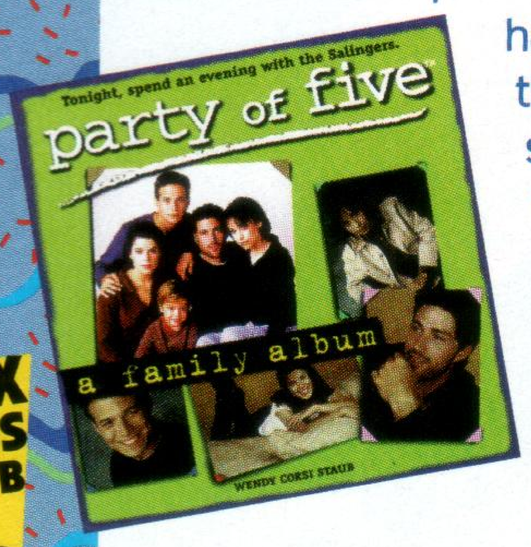

# Party of Five A Family Album

***by Wendy Corsi Staub***

This book was about the show *Party of Five*, about a family of five children who have lost their parents. They face many hardships without their parents around, and they learn how to become adults and take on more responsibilities.

I really enjoyed this book because I watch the TV program all the time. The letters and articles that they had in the book gave me a better understanding of some of the previous episodes that I had seen. I think that the author should definitely write another book to catch up on what is going on now.

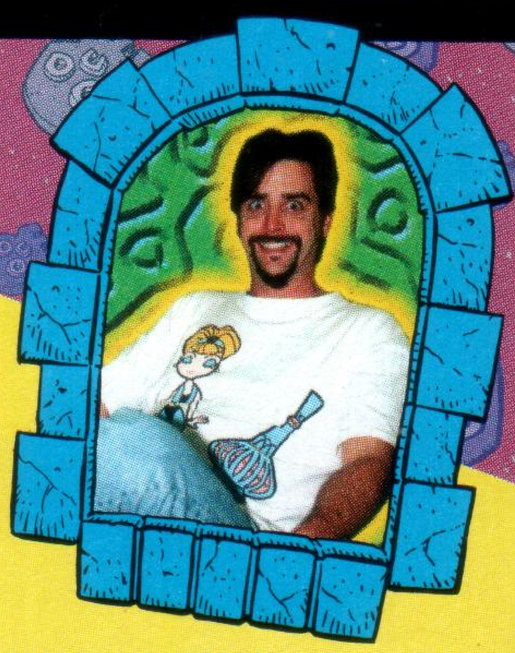

**Longi Burroughs, age 13**

• The most people to jump rope on a single rope was 220 in Greeley, CO, on a 164-foot rope.

## SPOTLIGHT ON BILL KOPP

Executive Producer/
Head Writer
*Toonsylvania*

**Bill Kopp's the demented boss on *Toonsylvania*. Here's what he has to say about that and the next big thing to come out of the warped head that worked on *Eek! The Cat* for so long....**

**TFK:** Tell us a bit about what you do.

**BK:** OK, I just approved a lavender chicken.

**TFK:** What did you like about Melissa Screetch?

**BK:** It was all in rhyme and that appeals to me and she was a horrible little girl. Awful characters appeal to me, too. It was fun.

**TFK:** Where did the Deadman family come from?

**BK:** I saw a drawing of Fred dragging his dead dog behind him and I just cracked up. I thought that was the coolest thing ever. They thought no one would like a family of dead people. I said, "Sure they will!"

**TFK:** What's your favorite part of the show?

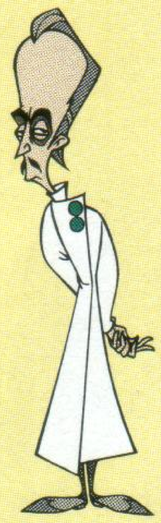

**BK:** The B movies! There are only three of them. We take a '50s sci-fi horror type movie—and give you the whole movie in eight minutes. The second one, which I think is the best one, in fact I think it's in the top three cartoons I've ever made, is called *Earth Versus Everything*. And it is Earth versus Everything. Atomic bombs, giant snowmen, giant termites, poison gas, flying saucers, exploding volcanoes, tidal waves, *everything*.

**TFK:** Do you write most of it yourself?

**BK:** I wrote about half of the Igors. I probably wrote about four or five Deadmans. But on *Mad Jack the Pirate* I am writing all of them.

**TFK:** Tell us about that. That will be new for FOX KIDS in the fall, right?

**BK:** Yeah. Mad Jack is great. He is a pirate who's kind of a lazy cad and he's always trying to find the short way to success. I wanted to do something where anything could happen. It's like *Monty Python* meets *Treasure Island*.

**TFK:** What's your favorite horror movie?

**BK:** I like *Bride of Frankenstein*. I like *The Creature From the Black Lagoon*, just for pure '50s fun, especially Julie Adams, because she's just so '50s. She looks like she just walked out of Sears and she's there in the Amazon.

**TFK:** What should a kid do to get into the business?

**BK:** Make a cartoon. Don't be intimidated by the process. Just make a cartoon. It's the coolest thing.

**TFK:** Did you go to school for any of this?

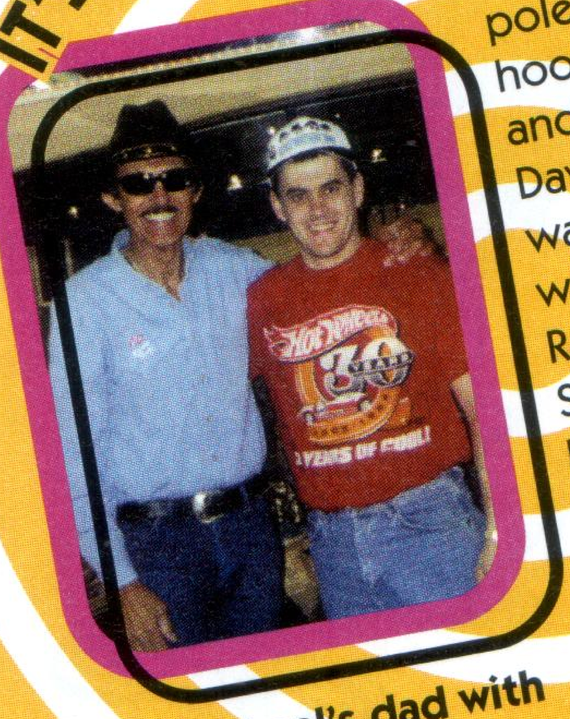

**BK:** I went to Cal Arts but I was a painter my first year. I loved film, but I also loved drawing. Animation was the way to combine the two. It seemed really smart to not become a starving painter.
